DISTRICT WISE ACTIVITIES

West Garo Hills

On August 17th, 2023, District Project Manager (DPM) along with the M&E in-charge, and Field Engineer, conducted a visit to three Cluster Villages, namely Darong Adu Cluster, Damal Onthapara and Doldengagre Cluster, all located under the Dalu Block. The purpose of the visit was to inspect the progress of work under the Cluster Development Fund.

Additionally, the team also assessed issues related to Social Safeguard and any potential environmental concerns within these three activities. As a result of this assessment, appropriate initiatives have been undertaken to ensure Social and Environmental Safeguard

On August 18th, 2023, DPMU team, visited Dollonggre Village in Rongram Block. They met with VNRMC members to discuss pending activities related to FMP, Apalgre Chimik dam with storage tank, permanent nursery, and other matters. The VNRMC committed to completing these activities by September 15th, 2023. A site inspection also covered the dam, storage tank, nursery, and 60% of ANR work under FMP.

MCLMP

DISTRICT WISE ACTIVITIES

North Garo Hills

On 22nd August, DPMU team visited various project villages under the Resubelpara and Bajengdoba blocks to assess the status of pending UCs. They held meetings with the presidents and secretaries of the VNRMCs to gather information about the delay in UC submissions. The team also discussed various project-related issues, such as resource allocation, community participation, and coordination among stakeholders. They offered suggestions and potential solutions to address these issues, emphasizing the importance of effective communication and collaboration to overcome obstacles.

On August 22nd, 2023, DPMU team in collaboration with School Net India, conducted a smart classroom training on the use of the Kyan Kit for the second batch schools from North and East Garo Hills at Mendipathar Cooperative Society, North Garo Hills District.

MCLLMP

DISTRICT WISE ACTIVITIES

Ri-Bhoi

On August 17th, DPM conducted a visit to Umdohbyrthih and Umtung Villages. The purpose of the visit was to follow up on the construction of the Community Information Board wall, confirm its completion, take measurements of the board for the printing of necessary information, and hold a meeting with the Umtung Bookkeeper. The objective of the meeting was to ensure the submission of Utilization Certificates (UCs) for completed projects and signboards.

On August 19th, DPM inspected activities in Mawpun Village, Bhoirymbong Block. Collaborating with VNRMCS members and VCFs, the DPM evaluated plantation sites and oversaw tree sapling planting from the community nursery, emphasizing environmental preservation. Trees were strategically placed around key areas, enhancing green spaces. The inspection also included measuring the completed Community Information Board wall for essential details, highlighting the DPM's commitment to community engagement, sustainable growth, and precise project execution.

MCLLMP

DISTRICT WISE ACTIVITIES

DPM visited Nongpydet village, under Bhoiryembong Block, to conduct a comprehensive inspection that included the following aspects: First, the DPM assessed the construction site of the Community Information Board wall and measured the board in preparation for upcoming printing of essential details. Second, the DPM interacted with the President of Nongpyrdet VNRMCs to gather Utilization Certificates (UCs) pertaining to horticulture and afforestation maintenance funds. Lastly, the completed sites of waste management bins and spring chambers were visited by the DPM during the inspection.

On August 18th, District Project Manager conducted an inspection in Tdoh Umsiang & Kdohhati village under Umsing Block. The visit focused on tracking the Community Information Board wall's construction progress and taking measurements for printing. The inspection also included visits to the Vermi-Compost unit and the check dam at Tdoh Umsiang, showcasing a commitment to sustainability and social safeguards.

MCLLMP

DISTRICT WISE ACTIVITIES

On August 16th, DPM conducted an inspection in villages under the Umling Block to follow up on the construction of the Community Information Board wall. The DPM verified its completion and took measurements of the board in preparation for printing the required information.

East Khasi Hills

DPMU EKH, in collaboration with School Net India, conducted a smart classroom training on the use of the Kyan Kit for 27 schools under the East Khasi Hills District on August 17, 2023, at MIIT Shillong.

MCLLMP

DISTRICT WISE ACTIVITIES

South West Khasi Hills

A review meeting to assess the progress of project implementation was conducted by Shri. T. Lyngwa IAS, the Deputy Commissioner of South West Khasi Hills (SWKH), on August 16, 2023. Staff members from CLLMP, MLAMP, FOCUS, MEGLIFE, and NRLM participated in the review.

Eastern West Khasi Hills

DPMU conducted community mobilization and awareness on FMP working scheme for Umkrem, Mawroh and Lyngdoh Maram VNRMCs.

MCLMP

DISTRICT WISE ACTIVITIES

West Khasi Hills

The second phase of KYAN Training was held at BDU Hall, DC Office Nongstoin. Six new schools were added, along with the four that were absent during the first phase of the training. The training took place from August 17th to 18th, 2023. KYAN equipment was distributed to the teachers of the schools on the second day of the training.

DPMU conducted community mobilization and awareness on FMP working scheme for Mawruksoin, and Mawkaton VNRMCs.

South West Garo Hills

DPMU conducted community mobilization and awareness on FMP working scheme for Chapahati II VNRMCs.

PAYMENT FOR ECOSYSTEM SERVICES

Initiation of tree planting activity on August 17, 2023, in North Garo Hills District's Resubelpara Block.

On August 17, 2023, Green Field Associate Amachi Aletheia M Sangma visited Sudugre village to conduct an orientation program for the beneficiaries.

Efforts were launched within the Jongdikgre village Community Reserve to undertake various activities, including tree plantation and demarcation of forest boundaries.

The process of planting trees is currently in progress within the Dimit Warikatchi village reserve, situated under the Songsak Block.

PAYMENT FOR ECOSYSTEM SERVICES

Under the guidance of Dr. Ashutosh and the CoE team from Shillong and Tura, the practical training in MRV concluded on August 23, 2023.

On August 23, 2023, GFA Raymosh S Marak made a substantial contribution by assisting the District Project Management Unit (DPMU) of North Garo Hills District in organizing a KYAN training session and overseeing the distribution of KYAN kits.

PAYMENT FOR ECOSYSTEM SERVICES

Meetings are underway with beneficiaries of the payment for ecosystem services scheme. The sessions encompass guidance on effective fund utilization and timely submission of Utilization Certificates (UC).

PLUP And Microplanning Exercises

On August 16, 2023, Ajay Rai, PMC of Shillong, paid a visit to a Group 2 village, Shallang Sohbar-A VPIC, situated under the Mawshynrut C & RD Block in the West Khasi Hills District. The purpose of his visit was to oversee the ongoing and sustained PLUP and Microplan exercises. His presence provided valuable insights and enlightenment to both the BPms and the VPIC members.

On August 17, 2023, Ajay Rai from PMC visited a Group II village, Pamlatar, as part of the Microplanning & PLUP exercise in Umsning C&RD Block. His insights enhanced current activities, benefiting knowledge sharing, livelihood projects, and the formation of cooperative societies. Interactions with the headman and members also enriched the understanding of the village.

MEGHALAYA LIVELIHOOD IMPROVEMENT THROUGH FOREST ENHANCEMENT (MegLIFE)

On August 18, 2023, Ajay Rai from PMC visited Group II village of Nongsangu. During this visit, he had a productive discussion with VPIC EC regarding the ongoing Microplanning and PLUP activities. Notably, this interaction resulted in the collection of significant village-specific information, which holds great utility for the ongoing initiatives. His presence and insights during the visit have provided valuable inputs and support, effectively enhancing knowledge and the execution of the exercise.

On August 21, 2023, Ajay Rai visited Srop Addingre village (Group II). This visit led to a constructive dialogue regarding diverse livelihood opportunities. The community actively participated and maintains optimism regarding the transformative potential of the project for their lives. Moreover, his assistance in microplanning activities proved exceedingly advantageous to the team.

Kyiem Launches Bio Fertilizer Unit and Travellers' Nest for Sustainable Future.

Bio fertilizer Unit with a capacity of 30 Metric Tons per day was inaugurated in Kyiem, East Khasi Hills by Chief Minister Shri Conrad Sangma on the 16th August 2023.

Covering about 4000sq ft, the factory aims to produce granules, soil charger, liquid and immunity booster. Through this unit many naturally grown agricultural products will be promoted. It will also reduce the use of chemical fertilizer and farm inputs.

About Rs. 150 Lakhs have been utilized in setting up the unit with contribution from various sources.

Simultaneously, Travellers' Nest, was also inaugurated, which will be run by the Kyiem IVCS. Also, present at the inauguration were Shri Paul Lyngdoh, MLA, Tourism, Shri. Beyond Kurbah, MLA, Mawphlang AC, Dr. Vijay Kumar, CEO MBMA, and Shri. Augustus Suting, Deputy Project Manager MLAMP.
